MINING HNS COIN

A large, yellow mining machine, possibly a conveyor belt system or a large excavator, is shown at night. The machine is illuminated by its own lights, which are glowing yellow. The background is dark, with a hint of a sunset or sunrise sky in shades of orange and brown. The machine is positioned in the lower right of the frame, with its long conveyor belt extending towards the left. The overall scene is industrial and dramatic.

A wooden gavel with a polished, reddish-brown finish is positioned diagonally across the frame. The gavel's head, featuring three distinct rings, rests on a matching wooden block. The handle extends towards the bottom right corner. The background is a solid, neutral gray, which makes the wooden elements stand out. Overlaid on the center of the image is the text 'DOMAIN AUCTIONS' in a large, bold, white sans-serif font.
